Home & club Fit Fun; easy cycling

Fit Fun provides virtual reality cycling with use at home & club. Sometimes outdoor cycling associated with injuries including physical injuries and inhalation of polluted air. Cycling simulator provides the user with new experience of cycling at home and club. It allows the users immerse themselves in the great natural scenes.

Cycling for at least 30 minutes a day will build up your cardiovascular and muscular endurance and will improve mental well-being.

Fit Fun can put cycling in the user's daily routines; Using the attractiveness of virtual reality as well as ease of exercise in a personal environment.
